NOTES

- Philo is a sofa with a unique style, with its refined quilting and specially-shaped metal feet that give it a modern and elegant aspect.
- The clear and precise shape of the armrests and backrest pair perfectly with the softness of the padding, offering a peerless comfort and a stunning visual impact. Philo naturally becomes the true focal point of any space in which it is placed.
- Available with Soft Touch mechanism that changes the seat and back cushion position with a simple tap.
- The model has internal soft touch buttons on the arm to activate the mechanism.
- Model has power combined headrest. ATTENTION! The headrest opens first followed by the footrest; then the headrest has one final extra rotation for comfortable TV watching position.
- Stationary versions have manually adjustable headrests.
- Thanks to ZeroWall mechanism, seat and back cushions can be reclined at a great length without moving sofa away from the wall.
- Version 560, a three seater sofa where each seat has its own electric mechanism.
- Versions Axx-Cxx-Dxx--Exx are available with rechargeable battery pack. There is a power cord outlet with a finish grommet on the lower back of the sofa rather than the bottom. This design is such to allow for easy plug and unplug action for charging.
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- Wood Frame
- Without Feet Assembled (the feet will be in a bag inside the package)
